Tutor Approval

To be completed by an instructor:

This applicant is interested in becoming a tutor in the Learning Resource Center's Supervised Tutoring Program. Each Learning Resource Center tutor must have the approval of a subject area instructor. The applicant should have a grade of A or strong B in the course(s) he/she will tutor, be reliable and cooperative, and possess good communication skills.

If you consider the student qualified to tutor your subject, please indicate the specific course(s) the student is approved to tutor and sign in the space provided. Please return the completed form to the applicant to hand carry to the Learning Resource Center.

Thank you for your assistance.
